

CareWorks Consultants invites you to a FREE webinar series

Webinar Topic Information

Comparing Group Rating and Group Retrospective Rating Programs

You have received two different workers' compensation program packets from CareWorks Consultants, a traditional group rating and a group retrospective rating. These webinars will give employers insight and detailed overviews about the different group programs. Both traditional group rating and group retrospective rating offer employers options to save on their workers' compensation premiums. With the knowledge gained from these webinars, you will be able to make a well-informed decision that is best for your company.
